WHOLESALE PRICE LIST

FOR 1924.

FOR DEALERS ONLY,

FROM

THE IOWA SEED COMPANY,

DES MOINES, IOWA.

WE INVITE orders from dealers in seeds who desire to supply their customers with seeds of the highest quality. We have no cheap stock to offer, being fully convinced that it does not pay to handle anything but the best, and our **Choice Iowa Seeds**, grown in this, the garden spot of the United States, are obtaining a national reputation. We are seed growers, and grow thousands of pounds of seeds annually for eastern seedsmen and for Europe. We sell no seeds on commission, and therefore have no seeds returned to us, and can keep our stock fresh. The prices in this list are subject to any important changes of market during season.

Prices—While our prices are very low when quality is considered, still if you want a full assortment or a large quantity of any sort please send list and we will make special prices if possible.

Terms—On vegetable seeds are sixty days, or three per cent discount for cash in ten days. On assorted boxes of papered seeds—June 1st, or one per cent per month discount for cash. On tools and implements, thirty days; two per cent discount for cash in ten days. On clover, grass and field seeds, potatoes and onion sets, *spot cash*, subject to demand draft if not paid on receipt of goods. Cash or satisfactory reference required from new correspondents.

Warranting.—During our more than twenty years' experience in the seed business, we have never warranted our seeds, and we know of no responsible firm who does; and *while we exercise the greatest care to have all seeds pure and reliable, and also true to name, we do not give any warranty, express or implied. No officer, agent or employee of this company is authorized to make any warranty whatsoever.* Orders are accepted only on this understanding. Our **Choice Iowa Seeds** have a national reputation for high quality, and we are sure they will please all who try them. **We Claim** to have the largest mail order seed business in the United States, west of the Mississippi river, which shows that our seeds are popular.

Seeds in Packets—Fifty per cent discount from catalogue prices. The five cent packets in quantity at $2.00 per 100.
